Women's Leadership Initiative

Our Mission:

To inspire, educate and improve lives in our community by a powerful, passionate network of women through a focused investment of their time, talent and treasure.

A word from our chair:

It is amazing to see Habitat for Humanity at work. Monroe is certainly blessed to have Habitat and all the volunteers serving in our own backyard. The investments and impact expands beyond the home, and reaches all areas of the community. I have a great time serving as the chair of the Women's Leadership Initiative and I invite you to join this group of powerful women making a difference!

Renee Darrow.

Time, Talent and Treasure...

What is the WLI?

The WLI is a group that has begun a new form of partnership with Habitat. This group is focused on personal engagement while bringing fun, professionalism, and much needed resources to the Habitat mission. All money raised through the WLI goes toward the construction of Habitat homes, as well as, home repairs to past Habitat homeowners.

WLI members constitute a growing network of women in leadership positions who use their energy, talent, and passion to advocate for Habitat. As WLI members, you are an example and role model for other women by demonstrating the powerful impact women can make when they pool their resources for a greater good.
