

Team Habitat

Team Habitat is designed for corporations, community organizations, school groups, faith groups and others to come together for a day of **team building. The combination of volunteer hours and financial contributions **doubles your impact**.**

Habitat for Humanity of Monroe County is a 501(c)3, nonprofit organization. Seeking to put God's love into action, we bring people together to build homes, communities, and hope.

Benefits of your customized Team Habitat Day:

Who doesn't love doing good and having fun? That is exactly what your group can expect during their Team Habitat Day!

Together, you do more than build a home - you build **strength, stability and self-reliance** in local families and our community. The unique atmosphere allows your group to build **relationships** and **lasting memories** as you instill the value of giving back.

We would love for you to join us on this adventure. Let's build the future of our community together!
